Compendium : Catechism Of The Catholic Church

Synopsis

Catholics' hunger for the faith continues to grow. Pope Benedict XVI gives the Church the "food" that is sought in the 598 questions and answers in the Compendium of the Catechism of the Catholic Church. This 200-page volume offers a quick synopsis of the essential contents of the faith as promulgated in the Catechism of the Catholic Church. Like the 1992 Catechism, the Compendium has a four-part structure, and includes a section on common prayers and Catholic doctrinal formulas. Because of the question-and-answer format, catechetical leaders-parents, pastors, teachers, principals, and catechists-have a unique opportunity to dialogue with the faithful, and reinvigorate the Church's ongoing mission of evangelization and catechesis. Individuals can come "to know the unfathomable riches of the salvific mystery of Jesus Christ" by reading, using, and memorizing parts of the Compendium of the Catechism. An essential tool for youth and young adults, the Compendium is the perfect companion to a youth or young adult's Bible, spiritual reading, or textbook. Catechetical leaders in high schools, colleges, and parishes will appreciate its versatility-as a reference book, discussion starter, or core resource for RCIA programs. Fourteen images taken from masterpieces of Christian art set a tone for each part or section. "The sacred images, with their beauty, are also a proclamation of the Gospel and express the splendor of the Catholic truth," explained Pope Benedict XVI. The Compendium of the Catechism was prepared by a commission presided by the then Cardinal Joseph Ratzinger. Following the request for greater appreciation of the Catechism, and in order to meet a widespread need that emerged during the 2002 International Catechetical Congress, in 2003 the Holy Father established a special commission, presided by the prefect of the Congregation for the Doctrine of the Faith, that he charged with preparing a Compendium of the Catechism of the Catholic Church, containing a more concise and dialogic version of the same contents of Catholic faith and morals.

Bishop Donald Wuerl, past chairman and current member of the American bishops' Committee on Catechesis, had this to say about the Compendium, "[It] offers a concise yet complete presentation of the faith. It presents an overview of the whole Catechism [of the Catholic Church] without going into all of the details that enrich the Catechism. Its primary focus is to provide ready access in a concise manner to the content of the faith." To the delight of seekers everywhere, the Compendium reintroduces new generations of Catholics to the reliable Q&A format. Twenty five years ago, Silvio Cardinal Oddi, the Prefect for the Sacred Congregation of the Clergy, defended this time-tested format from the attacks of members of supposedly "progressive" catechetical schools. He wisely observed that "specialists in internal medicine, engineering, and chemistry arm themselves with question and answer manuals to check themselves on recent developments in their respective fields." The good cardinal then addressed the progressive complaint directly: "Captious critics have objected that the Faith is not a series of answers to contrived questions but a way of life. The answer to this objection might well be another question: How can we live a Christian life until we first 'know the truth' (John 8:32)?" To that end, the Q&A format enables readers to commit the truths of the faith to memory. Indeed, "memorization" is one of the reasons Pope Benedict cites for issuing the Compendium. And thanks to its beautiful, crisp language, doing so can be a labor of love. Read the following excerpt from the section explaining the "Our Father": "596. What does 'Lead us not into temptation' mean? We ask God our Father not to leave us alone and in the power of temptation.
