# Business & Professional Ethics

## **Synopsis**

BUSINESS & PROFESSIONAL ETHICS, 7E delivers an insider's look at actual companies in the face of a wide range of ethical dilemmas. By integrating the latest information on ethics, governance scandals, legal liability, and professional accounting and audit issues, this text highlights the most recent ethical issues in today's business environment. Providing real-world examples of ethical issues in the workplace, this accounting text gives the user insight into the development of sound patterns of behavior on the part of directors, executives, and accountants. Current cases and key readings provide an interesting, challenging, and practical learning experience.

## **Customer Reviews**

This book is nothing more than a means for Marxists to try and push an agenda. Easily the most disgusting textbook I have ever read. It does not properly discuss and provide insight into ethics. Stay away!

Book meets the requirements for my class. I did not find anything remarkably impressive or disappointing with its quality.

The book was exactly what I needed for my class. I am pleased with the quality of the book and the material it covers.

The book arrived on time and it's as clean as new.
