At first, I was not sure if I was Extreme enough to understand this Extreme Teen Bible. I questioned my Extremeness and wondered if Jesus would accept someone as un-Extreme as myself.

However, after reading the Extreme Bible I can say that only through Jesus can true Extreme-ness be reached, and that through Jesus even the least Extreme can find the true light of Extremeness and truly excellent righteousness! Now, I kick it with God all the time Forget, Snoop Dogg; Jesus (or Master J as I call him, we tight) truly is the most Extreme of them all, amen! Don't you wish you could be Extreme too? Read the Extreme Teen Bible and kick it with Jesus! JESUS CHRIST! CAN I GET A "WHOOOP WHOOP"?

After hitting up the vert on my skateboard, downing a Go-Gurt while getting sick air, there's nothing better than to read my EXTREME™ Teen Bible. What could be more extreme than crucifixion and resurrection? Well, maybe listening to the Van Warped Tour CD while eating EXTREME™ Fruit Snacks, grinding mean slopes on my snowboard with guitar in hand playing insane solos using

only my teeth, with my EXTREME™ Teen Bible while fighting against the system and being a true revolutionary like Jesus, but resurrection comes close in extremeness. If it was anymore EXTREME™, we'd call it the Koran. It was so EXTREME™, that my head exploded while reading it just from how much EXTREME™ was in the small package. I would definately buy this if you want the most hardcore, incredible, extreme EXTREME™ on the market today.

I had this Bible for the past few years and just recently gave it away. I am ordering another copy for myself. Although I am 54 years old and have been a Christian for many years, this is the Bible for me. It comes highly recommended for any age.

Wow - this is so cool!!! before i used to hurt my brain by thinking and stuff!!! now i don't to know nething coz it's all written in here and i just haf to follow it!!! word!!! xtreme!!!...

its a bit dated (90's-ish) but teens today go through what I did at that age. Ties bible study and The Word into useable and relatable lessons. Whether a teen on someone "new" to Christ, this is a perfect Starter to bible study.

I recently got this bible, it totally rocked. It has profiles sopradically placed throught on Bible characters who made a difference and how you can make a difference as well. It also shows various promises God has made and how they realte to teens and where other relevant verses can be found. It points out verses on questions, and it explains things(like the references to dogs)that you may have trouble with. This bible also has thought starters on how to help teens discover God's plans, full page(often 2) profiles of each book and how they break down, and 4 different reading plans for the bible(30 days with Jesus, 60 days with Paul, 90 overview, the bible in 365 days). This bible got me back in the word and I've read it more than ever. The translation makes it a bit tough for some people, but if you want more of a challenge than the NIV gives, this translation is for you.

I had this bible for many many many years as a preteen/teenager. It was gifted to me on Christmas 2001. I still have it. In actuality i still use it as my main bible and I'm pushing closer to 30 now lol . I have so many notes / highlights throughout the years which has made it super hard to change bibles. However I am considering upgrading to a Woman's Study Bible really soon. I will always keep this one. I still have the one I always read from when I was a kid. I really love this bible and still am so glad it was presented to me. A few things I love most about this bible is the Promise section :

Tells what God promises, gives scripture and a brief detail of what it means. I also like on the edge : Gives u some situations you may or may not be facing and how to deal with them based on what scripture reads. I would highly recommend this bible to any preteen/teenager !!! God Bless !!

I had this Bible as a teenager, I am now close to 30. I love it, its easy to understand and even has side notes in case you get confused. As I got older I always remembered the simplicity of this Bible. Its the best one I've owned. Worth every penny =)
