CJ: Realities And Challenges

Synopsis

CJ: Realities and Challenges empowers students to think critically about the daily realities and challenges of the criminal justice system. Using the text's framework of ObserveâInvestigateâUnderstand, students learn to recognize the myths of the U.S. criminal justice system and gain a greater comprehension of its complexities. CJ: Realities and Challenges brings together the insights of an expert author team of practitioners and scholars to present a contemporary and realistic perspective on a vital U.S. institution. With Connect Criminal Justice, a groundbreaking digital program, students study more effectively by using engaging activities to confirm what they know and to learn what they don't know. BUY THE ACTUAL BOOK!NOT THE KINDLE VERSION!ODDS ARE YOU ARE GETTING IT FOR SCHOOL AND WONT NEED IT EVER AGAIN!YOU CAN SELL IT ONCE YOU ARE DONE WITH THE CLASS!IF YOU BUY THE DIGITAL COPY FOR KINDLE YOU ARE STUCK WITH IT!

Everything About it It helped a lot instead of caring books I had it my phone which was good Would recommend it to everybody I chose this because it was the only option at the time or else I wouldn't be able to get a book since all the hard books were sold.

I needed to get this item at last minute for one of my classes and I received it right on time. This made me very happy. It was inexpensive compared to renting books at my school bookstore. I am very pleased with this item! :)

Great introduction to all the topics of criminal justice. This book is required reading for all interested in a degree in criminal justice, and a must for entering into the cj masters program. The eTextbook really is the best version because it's so easy to highlight a word and the app will take you to every page that word is referenced on. Plus, when you highlight a phrase, the app will link you to google, wikipedia or the dictionary for further explanations. I'm using eTextbooks for all my school books because it's so easy to pull out references into the body of any research paper you write. Finally, studying for your tests is simple, when you highlight the end of chapter questions, you can place a note by the question with your answer. eTextbook is way cheaper than the hard text, and you keep it in iCloud with all your notes, and references, very, very convenient. My last comment, when you bookmark your page when you sign out, that page is brought up instantly when you turn your app back on the next time. The Kindle app is free and you can load it onto 3 separate computers or devices. Quick and easy study on my 26" screen, from my easy chair.

DID NOT INCLUDE ONLINE CODE,, OTHERWISE GOOD CONDITION.. I BOUGHT IT BECAUSE I WAS TOLD IT WAS NEW, BUT NEW BOOKS ARE SUPPOSED TO INCLUDE ACCESS CODE

Awesome class. A little bit of irony, my professor got arrested at the end of the semester. A girl who I took the class with became a corrections officer. She then got arrested for sneaking in contraband

to inmates. Awesome class.

This book within the first chapter shows it isn't afraid of discussing controversy. It really seems like I'm getting an honest look at the CJ system and the ideals vs realities.

I am enjoying the book it is very informative. I am using it for a criminal justice course. It could've been here a little quicker but I am sure you do what you can..
