Fish Of Pennsylvania Field Guide (Fish Identification Guides)

Synopsis

Make identifying fish easy and enjoyable. This field guide by Dave Bosanko features detailed information about 75 types of Pennsylvania fish, and the book's waterproof pages make it perfect for the dock or boat. Identify your catches with the intricately detailed fish illustrations, and verify them using the "Similar Species" • comparison features. Then read fascinating facts on spawning behavior, feeding habits and more. Plus, match up your best catches against the state and North American records. With inside information for locating fishing hotspots, this book is essential for every tackle box, beach bag, RV and cabin.

Customer Reviews

While simple in concept, this book proves concise in covering many of the keystone state's more accessible fish species. Some additional entries for the darter and madtom families would have been nice, but that's a matter of personal preference. All in all, I'd say it was definitely worth the purchase.

this is a perfect accent a angler. its size is perfect, pictures, details, font is perfect. Its waterproof pages is a must. My grandsons page thru this daily and the pages have held up perfectly.

A simple, useful, informative little guide book.

Best little book on market

The fish book is excellent

Great seller and product!!

Shows all fish in Pa and some I didn't know we had here in Pa..... Now I know the diff between a bluegill and a crappie

Great book!
