Swim The Fly

Synopsis

Three adolescent boys with a single goal: see a real live naked girl. The result? Razor-sharp, rapid-fire, and raunchy, of course. And beyond hilarious. Fifteen-year-old Matt Gratton and his two best friends, Coop and Sean, always set themselves a summertime goal. This year's? To see a real-live naked girl for the first time — quite a challenge, given that none of the guys has the nerve to even ask a girl out on a date. But catching a girl in the buff starts to look easy compared to Matt's other summertime aspiration: to swim the 100-yard butterfly (the hardest stroke known to God or man) as a way to impress Kelly West, the sizzling new star of the swim team. In the spirit of Hollywood's blockbuster comedies, screenwriter-turned-YA-novelist Don Calame unleashes a true ode to the adolescent male: characters who are side-splittingly funny, sometimes crude, yet always full of heart.

Best friends Matt Gratton, Coop and Sean always set a goal for themselves each summer. This year Coop has come up with the best one so far: to see a "real, live naked girl" for the first time. Matt doesn't think they will find a way to achieve it, but the trio creates several elaborate plans to make their dream come true. Most of them fail, but one "fool proof" idea actually succeeds; sort of. If that weren't enough, the teens are also on the Rockville swim team. Their coach needs someone to "swim the fly" (the 100-yard butterfly), which is generally considered the toughest stroke. Matt volunteers, even though he can barely do the butterfly, much less swim it competitively for such a long distance. He wants to impress the newest member of the team, Kelly West, who has turned

from an ugly duckling into a beautiful swan. So what if Kelly is going out with the best swimmer on one of the opposing teams, a buff guy whose best stroke is the butterfly? When Matt tries to train his body to meet the rigors of the race, he runs into all kinds of trouble, like trying to sneak into a private pool so he won't have to practice in front of his friends and accidentally trashing his brother's room when he's using his brother's weights to build his muscles. While reading SWIM THE FLY, it's easy to identify with Matt's fears and insecurities. He's skinny and geeky, and not the type of guy beautiful Kelly would be impressed with. It's hard to imagine him ever being tough enough to "swim the fly" for 100 yards, either. Yet you find yourself rooting for him to succeed, despite all the obstacles.
