Peter Puck's Big Book Of Hockey: Fascinating Facts About The World's Fastest Team Sport

Synopsis

Peter Puck, hockey's most lovable expert, has returned to the ice, to living rooms across Canada every Saturday night and now to the pages of his highly anticipated book, Peter Puck's Big Book of Hockey. With fast-paced humor, fascinating facts, and entertaining tales from deep within the vaults of hockey's past and present, Peter Puck's Big Book of Hockey introduces fans to the game all over again. From career-ending hits, lopsided score cards, stolen trophies, assaulted referees, and sabotaged ice surfaces, Peter Puck's Big Book of Hockey will leave fans in disbelief and wondering if the stories could possibly be true.
