House Of Night, Books 1-4 (Marked / Betrayed / Chosen / Untamed)

Synopsis

The House of Night is a thrilling, New York Times bestselling book series that follows 16-year-old Zoey Redbird as she is "Marked" by a vampyre tracker and begins to undergo the "Change" into an actual vampyre. She has to leave her family in Broken Arrow, OK, and move into the House of Night, a boarding school for other fledgling vampyres like her. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been Marked as special by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's hard to fit in when everyone knows you're "special." As Zoey tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faultless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to find the truth and embrace her destiny?

Customer Reviews

This is an engaging and very entertaining vampyre series that older teens will devour!MarkedWhen Zoey is Marked, all hopes of fitting in at her suburban high school seem to suddenly vanish. She already feels like a stranger in her own family, and when her religious step-father finds out that Zoey has been Marked to undergo training to become a vampyre, he is convinced that she is evil, and together, he and her mother refuse to accept that Zoey has only two options...learn how to become

a vampyre, or die. Fitting in at her new school, The House of Night, is nearly impossible as well, for the goddess of the night, Nyx, has bestowed special powers upon Zoey, making her the most powerful fledgling in history, and earning her many enemies. But Zoey is not alone. With the help of some newfound friends, her spiritual Cherokee grandmother, and her mentor, she will learn to embrace her talents and take the first step to righting the many sinister happenings at The House of Night. *Marked* is riveting and fast paced right from the very start. Zoey's biting wit and easygoing, honest demeanor make *Marked* an easy read to get sucked in to (no pun intended). While the exposition of the story may seem a bit too hasty, the Casts make up for it in suspense and remarkable character development, in not just Zoey, but every person, friend or foe. The tone of the novel is pitched perfectly, and it includes references to drug, alcohol, and sex without being graphic, but entirely realistic and plausible. The Casts certainly know how to speak teens' language, bringing us a thrilling novel that will make the heart pound, the mind race, and will ultimately capture the imagination.
